

Position: Account Associate- Installations and Logistics, Uganda

About Us:

Impact Water is a for-profit, social enterprise dedicated to providing safe drinking water solutions at scale. We sell high-performing water purification systems to social institutions (like schools, hospitals and health clinics) as well as private businesses, often with zero-interest financing so that providing safe, great tasting drinking water to students, patients and employees is easier than ever.

Job Description:

We seek a skilled **Account Associate, Installation and Logistics** to join our team and grow with our winning organization. The position requires a focused and flexible candidate with excellent communication and problem-solving skills. Ideal candidates will have experience in logistics, inventory management and delivery coordination.

Specific position responsibilities include:

- Achieve monthly installation quotas while ensuring timely delivery of safe water systems to customers
- Coordinate a country-wide network of drivers and technicians, including recruitment and training, to ensure timely installation
- Contribute to accurate records for all incoming and outgoing products
- Coordinate with local suppliers to place and fulfill orders
- Develop strategies and protocols to ensure timely installations as the business scales beyond Kampala

Qualifications and Experience:

- A university degree is required, preferably in business, procurement, or logistics
- 2+ years of project management experience, preferably in inventory or logistical management
- Fluency in both written and spoken English
- Demonstrated quantitative and analytical skills (e.g. basic Excel and Word)

While the **Account Associate, Installation and Logistics** position will be primarily based in Kampala, this position will require frequent travel throughout Uganda. This is a full-time position, starting with a one-year contract and trial period of two-months.

Compensation:

Competitive compensation will be offered in the form of a base salary, performance incentives, and standard benefits.

How to Apply:

Applicants should send a short cover letter and resume to jobs@impactcarbon.org *. Please highlight your relevant experience. Please use the subject "**Account Associate, Installation and Logistics**" in all e-mail correspondence. No phone calls please. Applications will be reviewed on a rolling basis. Application window will close January 30, 2015.

**note: Impact Carbon is Impact Water's parent organization and this recruitment is managed by Impact Carbon*
